wand wand wand wand

wand wand wand wand

want want want want

want want want want

want want want want

wish wish wish wish

wish wish wish wish

wish wish wish wish

whatever whatever

whatever whatever

whatever whatever

whisper whisper

whisper whisper

whisper whisper

I want a wand so I can wish

I want a wand so I can wish

I want a wand so I can wish

for me, whatever I wish

for me, whatever I wish

for me, whatever I wish

to be. I can whisper,

to be. I can whisper,

to be. I can whisper,

“I wish to be...” A polar

“I wish to be...” A polar

“I wish to be...” A polar

bear asleep in his lair.

bear asleep in his lair.

bear asleep in his lair.

polar, bear, lair, bird, high
I can whisper,
“I wish to be..”

A rainbow bird who flies
high in the sky.

polar, bear, lair, bird, high

I can whisper,

“I wish to be..”

A rainbow bird who flies

high in the sky.

polar, bear, lair, bird, high

I can whisper,

“I wish to be..”

A rainbow bird who flies

high in the sky.
